

LOCK AND LOAD

1

By MC3 John Suits

In an effort to maintain combat readiness, a .50-caliber gun shoot was held on the fantail of USS Theodore Roosevelt (CVN 71) on Friday. Sponsored by Weapons Department, the shoot focused on keeping gun mount operators' skills refined, as well as re-enforcing confidence when using the weapons.

- 1.) Gunner's Mate 3rd Class Victoria Lindsey holds a case of .50-caliber rounds during a gun shoot on the fantail of TR.
- 2.) Gunner's Mate 1st Class (SW) Karl Patz points to the location of a smoke target to Gunner's Mate Seaman Anthony Collins.
- 3.) Machinist's Mate 2nd Class Robert Cerami mans a .50-caliber gun mount on the fantail.
- 4.) Sailors gather to watch a .50-caliber gun shoot on the fantail.
